SECOND QUARTER OFFERING:

Monkey in My Chair is a program developed for PK and Elementary children who are away from school because of a cancer diagnosis. Each child is provided with a 'monkey kit' which includes a big stuffed monkey with a backpack, that takes their place at school, a book to help teachers explain to students the situation with their classmates, along with other items that can be utilized by the child and their classmates. In addition, each child is given online access allowing them to share documents and pictures between school and the hospital.

Thank you for supporting this worthy cause through your chapel offerings!
