September 19, 2022

Our 153rd Year!

## AR Reading Night!!

The TEAM Falcon AR Literacy Night was a huge success. Thanks so much to TEAM Falcon for organizing this event. Thank you also to the school staff and the many men and women who participated in making it a successful night. Families played Book Bingo, heard stories read to them by men and women serving in Atchison Fire and Police Departments, and they were able to play Boggle and Bananagrams with their favorite teacher or principal. Everyone had an enjoyable time and students took home new books to read. We are looking forward to our next TEAM Falcon event!

## Chili/Soup Supper

Our next Team Falcon event will be the Chili/Soup supper on Friday, November 4. We are in need of many volunteers to make this another successful event. Please see the link on our Team Falcon Facebook page to see how you can help. Team Falcon is also looking for individuals and businesses to donate Silent Auction baskets and individual items. If you are interest, please contact Hayleigh Diebolt (hayleighbiebolt@hotmail.com) or Sara Becker (smbecker3808@gmail.com).

## Chapel Update

Thank you for all of your generous donations to the Children's Mercy Hospital Happy Kits!! The students will be putting them together soon and they will be delivered to CMH! Because of your generosity, we were able to exceed our goal challenged to us by Molly Stultz of 100 kits. Molly is a 2nd grade student who has had the opportunity to use these kits herself.

Our next chapel offering will be given to the Orphan Grain Train which supplies much-needed items to countries in need. We will be making Hygiene Kits and ask that students bring the following items:

Saturday morning both teams won against MLA, then the 4/5/6 team lost against Christ Lutheran, and the 7/8 team lost to Bethany 7.

The Lady Falcons have 1 day of home games on Saturday, October 8! Please come out and support them! They are a lot of fun to watch!

## Mental Health Tip of the Week!

A mental wellness activity that promotes inner peace and mental wellness is to get away from the daily stress and spend time in nature. The fresh air, natural sounds, and sights, and refreshing smells can help to reduce anxiety and encourage the strengthening of inner peace and balance. Natural scenes like mountains, beaches, forests and national parks can all help reduce stress and ease the severity of mental health challenges.

**"THIS IS THE DAY THE LORD HAS MADE; LET US REJOICE AND BE GLAD IN IT."
