

# FALCON FLYER

September 26, 2022

Our 153rd Year!

## Weekly Chapel Offering Orphan Grain Train

Our Chapel Offerings will be given to Orphan Grain Train which supplies much needed items to children in need. We are making hygiene kits and ask that our students bring in:  
**September 28** – sturdy combs, dark colored bath towels and washcloths, plastic bar soap holders.  
**October 5th** - small packages of facial tissue.  
**October 12**– any size nail clippers.

## Important Reminder

Students will be dismissed early on **Wednesday, October 5th at 3:00 pm** so that the staff can leave to make their flight to the National Lutheran Educator Convocation. Your prayers for safe travel are greatly appreciated. Thank you!

## Dress Code Reminder!!

Please remember that Cargo Pants/Shorts are not part of our dress code ensemble. Please review the Uniform and Dress Code on page 12 of the TLS Parent Handbook. I am pleased to report that almost all of our students appear to be in dress code. Thank you to our parents for making this happen. We appreciate your cooperation in our uniform policy. A uniform dress code has been shown to help improve a students educational atmosphere, decrease distractions in class, and makes it easier to get ready for school in the morning.

## VB Team Update

No volleyball teams were in action this past weekend. Both of our teams will travel to **St. Paul in St. Joseph this Friday, September 30**, and also to **Hope Lutheran on Saturday, October 1**. We have games **AT TRINITY on Saturday, October 8**. Trinity 4/5/6 will play at 9 am, and Trinity 7/8 will play at 9:45 am and 11:15 am. Come and cheer on our Lady Falcons! They have worked so hard this year and are so much fun to watch!!

## Classroom Updates

Our 6th-grade class has been reading “The Outsiders” written by S.E. Hinton. Be sure to ask one of them who wins the Rumble... or does anyone really win?

## Underground Railroad

The 7th and 8th graders had the opportunity to have a better understanding of what people experienced as they tried to escape to freedom and avoid bounty hunters this week at school. Our teachers participated in this experience as they posted a lit candle cutout on their classroom door, then rolled a die to determine if they were friend or foe. Dr. Hobus did not have much success as a bounty hunter. :) It was a great learning experience!

## Mental Health Tip of the Week!

Do something difficult everyday. As humans, we are naturally wired to want to feel a sense of accomplishment. Hard work and an industrious nature pushes us towards greatness. When we feel challenged, but come out on top, we have reached our sweet spot for growing to new heights. This mental health tip does wonders for your mind! Challenge yourself. Strive for greatness! Each day try to do something challenging. Whether that is a hard work out or taking on a new project at work, this is a great way for making you feel better. Additionally this is something you have in your power. When you are trying to do something difficult focus on what you can control.

**“THIS IS THE DAY THE LORD HAS MADE; LET US REJOICE AND BE GLAD IN IT.”
