Weekly Chapel Offering Lead A Child

3rd Quarter we are collecting for the **Lead A Child** group who support schools in Central and South America. As a reminder, many of our families give offerings at their own churches. We encourage you to let your child bring a small offering as this money does not stay at our church and school, but is used for our mission outreach into the community and the world.

MENTAL HEALTH MINUTE

"Train up a child in the way he should go; even when he is old he will not depart from it." **Proverbs 22:6**

Mental health disorders have a way of knocking a person down, partly because the conditions are often misunderstood. There is a stigma attached to mental health problems, and people don't want to admit they are struggling. Many continue to struggle, day after day, without getting Christian mental health treatment. Many don't even know there is help available. Please reach out if you are in need!

"THIS IS THE DAY THE LORD HAS MADE; LET US REJOICE AND BE GLAD IN IT."
