Falcon Flyer

Trinity Lutheran School faculty and staff would like to express how grateful we are for the wonderful experience we had last Thursday with our parents and students. We are grateful for all the hard work our teachers and students put into decorating our classrooms, making or providing food, and sharing lots of knowledge with our students about the wonderful world God has made for us. We look forward to celebrating National Lutheran Schools Week with you again next year. Go Falcons!

Dress Code Update

We are off tnd a great 2 semester and we are so happy to have your kids celebrate NLSW with us this week! While your children take a break from uniforms this week, we have noticed that some are not adhering to the Uniform Policy set forth by the Day School Committee. Please note the following items, and please take the opportunity this week to take the steps needed to stay within the bounds of the policies that we expect at TLS:

- Grades 4-8, black or brown belts must be worn if pants have belt loops
- Visible socks must be a solid color: red, white, navy, or black
- Shirts must be fully tucked in; front and back
- Uniform pants/slacks (skinny pants are NOT acceptable)
- Hair must be kept in its natural color
- Boy's hair shall be worn so it's not to touch the shirt collar or the eye brows
- Students are not allowed to have any marking or drawings to suggest a tattoo
- No jogger pants (elastic at the ankles)

Mental Health and Technology

In our ever-changing world, the use of technology is continuously expanding. It influences every area of our lives, from our ability to communicate with loved ones to accessing information. Unfortunately, there are a number of negative effects of technology on mental health. Screen time and social media use among kids and teens have been linked with an increased prevalence of mental health concerns. Dedicate a time in the week to unplug and find fun activities to do together such as playing board games, putting together puzzles, or going to the park.
