School Re-enrollment

All school families enrolling students in 1st-8th grade for the 2023-2024 school year should have received a re-enrollment packet. We are asking all current families to re-enroll by **Apr. 12**. This is to help ensure that we have the correct amount of curriculum materials for next year. We are also encouraging each family as they re-enroll in the FACTS system to please check the box for the ACE Scholarship that could be a huge bonus for our school. This non-profit organization is wanting to help students and families of lower income to attend the private school of their choice. Please contact Dr. Hobus or the school office for more information on this program.

Round-Up Day

Parents enrolling their students into Preschool and Kindergarten are required to attend Round-Up Day on **Tuesday, March 28 from 3:45-6:30 pm**. At this time, you will receive your enrollment packet. You will be expected to turn in all necessary forms such as birth certificate, social security card, immunization record, and health screening. Preschool parents also need to pay the \$50 enrollment fee.

All other families are highly encouraged to attend.
