Our 153rd Year!

3rd Quarter Chapel Offering

The students at Trinity Lutheran sure have giving hearts. I am always amazed to write in the amounts that the boys and girls collected for our offerings here and around the world. A total of **\$1,410** was raised with some help from our Grandparents Day service. This money will go to the **Lead A Child** organization to help fund Lutheran Schools around the world. Well done SAINTS.

Eighth Grade Spotlight

The 8th grade student in our Falcon Flyer Spotlight is **Kailee Kistler**. She has been a student here since Pre-school 4. Her favorite class is Science (good for her). She wants to pursue a career that has to do with animals. I told her teaching middle school might be a good fit... Her favorite color is blue..... followed by green which was a close second. We thank God for our wonderful students at Trinity and especially for Kailee.

Principal in Training

Case Henry, 3rd grade, enjoyed being our Principal for the Day on Friday, March 24. Case had the opportunity to learn some of Dr. Hobus' daily tasks, visit the classrooms, and eat at McDonalds for lunch.

School Re-enrollment

All school families enrolling students in 1st-8th grade for the 2023-2024 school year should have received a re-enrollment packet. We are asking all current families to re-enroll by **Apr. 12**. This is to help ensure that we have the correct amount of curriculum materials for next year. We are also encouraging each family as they re-enroll in the FACTS system to please check the box for the ACE Scholarship that could be a huge bonus for our school. This non-profit organization is wanting to help students and families of lower income to attend the private school of their choice. Please contact Dr. Hobus or the school office for more information on this program.

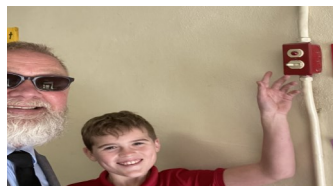

Round-Up Day

Parents enrolling their students into Preschool and Kindergarten are required to attend Round-Up Day on **Tuesday, March 28**. Please come any time between **3:45-6:30 pm**. You do not have to stay the entire time. You will receive your enrollment packet. You will be expected to turn in all necessary forms such as birth certificate and social security card. Preschool parents also need to pay the \$50 enrollment fee. Please plan to turn in your student's immunization record and health screening before September 1.

All other families are highly encouraged to attend.

Fire Drill Student Helper

Dr. Hobus would like to apologize to Landon Becker for the delay in getting to pull the fire alarm. Landon was the winner of the "Pull the Fire Alarm" at last years Chili Supper and Silent Auction.
