Our 153rd Year!

## School Re-enrollment

If you have not had a chance to re-enroll your student for next year, please do so quickly. This is to help ensure that we have the correct amount of curriculum materials for next year. We are also encouraging each family as they re-enroll in the FACTS system to please check the box for the **ACE Scholarship** that could be a huge bonus for our school. This non-profit organization is wanting to help students and families of lower income to attend the private school of their choice. Please contact Dr. Hobus or the school office for more information.

## Accreditation

Last week, we had a visit from our Accreditation Visitation Team, Josh Snyder and Karen Brack. They were both very complementary of everything we are doing here at Trinity and recommend full accreditation for the next 5 years. A huge thank you to our community, families, teachers, and staff for helping to make Trinity a blessing to all of our students.

## Library Note

Parents: Only 17 more days of school! We have many overdue books that need to be returned, lost books that need to be paid for, and fines that need to be paid. Please check your student's backpacks every day for overdue notices (a half-sheet on bright color paper). All books are due back by **Thursday, May 11**. Borrowing library books is a great opportunity for you to teach your student how to be responsible for library materials by taking good care of their books and returning them on time. Thank you so much for your help!
