Thank you very much for your support of our school.

TEAM Falcon Information

Our first TEAM Falcon Meeting and Family Event will be held on **Wednesday, September 7 at 6:30 pm!** Come to the parking lot to participate in **Touch-A-Truck!** Students will have the opportunity to have a close-up look at Emergency Service vehicles.

In October, enjoy a night with your family promoting literacy and kicking off our year for AR! If you have any gently used books (ages Preschool- 8th grade) that you would like to donate for Bingo prizes, please send them to school in a bag labeled TEAM Falcon. Thank you!!

Pick up and Drop Off Tips

Please remember these safety tips when picking up or dropping off your student:

- Please be sure to pull all the way up to the next open space along the sidewalk. This allows more vehicles a place in line and speeds up the pick-up process.
- Please park in a parking space if you wish to visit with your student's teacher. **Do not park your car in line!**
- FYI— 8th Street is not recommended as a pick up location for your students. TLS does not monitor students at this location.
- Please work with us as we monitor your students during drop off and pick up.
- Please be mindful of children in the parking lot. Go Slow!
- If at all possible, turn right when leaving the parking lot. This helps reduce congestion.

Art Classes with BC Students

In the next few weeks, students from Benedictine College will be coming to our school to teach several art classes. This program started last year and our teachers and students really enjoyed the fun artwork that was produced. Ask your student what they did during art class.

Hope Family Therapy

HOPE Family Therapy, Inc. has partnered with our school to provide affordable, quality, research-backed, collaborative mental healthcare to Atchison and the surrounding communities. Students have the opportunity to receive FREE services from one of their interns. Please call them if you or a family member needs help. They can be reached at (913) 674-0057.
