Our 156th Year

Volunteer Opportunity

On Friday, September 6, Trinity will be hosting 3 teams for a total of 6 volleyball games. This is our only home game before our tournament in October. Please prayerfully consider donating at least 1 hour of your time. Help will be needed at the Admission table and the scoreboard. Mr. Tom Brincefield, Athletic Director, will be pleased to show you how to run the simple system.

Lunch Program

Thank you to everyone who completed the Lunch Applications. We need 50% eligibility for all our students to receive free lunch. We are at 27% which is good and bad. Good that our families are blessed, but we won't qualify for free lunches for all.

Sports

TLS Fall Sports are off to a flying start. We have been blessed to add a 7th and 8th grade football team this year. We will play a co-op team with St. Benedicts and Troy. They have all been working really hard to prepare for their first game. All games will be played on Thursdays starting Sep. 5, and concluding Oct. 17.

Unfortunately, we are not able to have a soccer team this year. Students are encouraged to sign up with the Atchison Recreation Commission in order to improve their soccer skills.

Girls 5th/6th Volleyball started their year strong at the Hope pre-season tournament. The girls learned how to play as a team and what it feels like to make good plays. 7th/8th grade Volleyball girls will begin their games here on Friday, Sep 6.

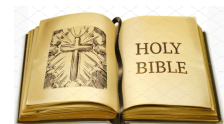

We pray God's blessings on all our athletes. Please encourage everyone to have fun and do their best.

CONGRATULATIONS to

our alumni freshman **Emma Clowers** making the High School VARSITY volleyball team. Emma graduated from Trinity last year and is currently a freshman at Atchison High School.

Security System Fund

The Technology committee presented a proposal of \$45,000 for major security improvements. The Day School Committee (DSC) approved and has allocated \$25,000. We also received a pledge of \$2,500 from one of our school families. We hope to have more donors and Church Board approval to start installation by Sep. 15.
