Our 158th Year

MORE STUDENTS this year

We have nine more students this year than last year and most of them are in the PK program. So we added an afternoon class on Mo/We/Fr. This makes pick-up more congested in the parking lot so please **PARK** in a space if you need to get out and talk or else please continue to **MOVE FORWARD** if you are along the curbs.

Inquiring minds want to know

If you would like to know more about what the Lutheran's believe, please join us on Sunday afternoons at 4 p.m. in the church basement. Child care provided but contact Sarah in the office for more details.

DO WANT A PAPER COPY of the FALCON FLYER? Or is it easier for you to get it on Facebook or the website? Please let the office know by the end this month if you would prefer a paper copy.

New School Policies

We have adopted a new personal electronic devices policy to meet and exceed the Kansas State HB2299 law. This did not change much of what we have already been doing since we already have great students and families. The policy is on page 28 of the handbook.

THANKS TEAM FALCON for getting our students their new themed t-shirts for this Friday.

(Falcon Friday will be held the last Friday of every month. Students may wear any approved Falcon Gear which includes any shirts that have been bought at a TLS fundraiser including TLS sports. Appropriate jeans or shorts must be worn with Falcon Gear. Students must wear a uniform, if choosing not to wear Falcon Gear.)

10% discount if entire tuition is paid by August 31 or 5% if half is paid. *(There is a \$10 monthly late fee if not paid through FACTS or in the office by the 15th of each month.)*
